Payment to the Police for cooperation in reporting persons riding unlicensed bicycles & tricycles.

The two Police Sergeants in question were added to the Police Force by the Cape Town Municipality for regulating street traffic in the Cape Peninsula. If these are given additional work by the Municipality & are paid therefor by them in charge of removal, it is possible that in their legitimate duty (regulation of traffic) there must be some laxity. It is presumed that they are employed at present on this work with the consent of the D.-S.P., but in any case, the President should have been consulted before the Sergeants were allowed to take work for the Municipality.

6/6/12 -- from here I do consider it would appear that police officers in question are employed in principle capacity under a Municipal Reg. Law relating to vehicles. Such employment I must remark for a Municipal Council seems irregular. Under sec 176 of the Municipal Law, a Council can authorise any person to prosecute in regard to offences against the Law. Assisting a Commissioner by giving information of unlicensed bicycles seems to stand on a different

Sec. 176 seems to authorise the Commissioner to
empower persons to prosecute in regard to any offence
under the Law & bye-laws. Failure to license
bicycles &c is an offence under the bye-law
so that apparently a policeman can be so authorised.
If, as suggested, there is any difficulty in sanctioning
the payment of the proposed reward I think we
should make the point clear in addressing the S.P.
He probably [illegible] was present at the meeting &
sanctioned the proposal & requested it.

SUBJECT.

Proposal to pay to Police Officers as rewards all the fines recovered and half the composition fees received from persons accused of having unlicensed bicycles.

Please see slo 1 & 2

As observed by D.S.P., Article 74 of the C.S.R. appears to apply to this case. Under clause (c) of this Article, the power of sanction of the Local Govt in the case of each fee extends up to Rs 500, & it would seem that the principle of such rule 72(6) is equally applicable. The present proposal is to pay as rewards all fines recovered and half the composition fees received from persons accused of having unlicensed bicycles.

The maximum fine that may be imposed in each case is Rs 5 and the maximum composition fee which the President, Municipal Commrs, can accept on his own authority is Rs 10.

2. In May 1911, Section 7 of Bye-law No.3 was amended requiring that all licensed vehicles should have a number affixed to them. But this did not seem to be enough, so the co-operation of the Police was obtained, and the two European Serjeants were asked, in addition to their duties, to report all persons riding unlicensed bicycles and bicycles bearing no discs; the result has been most satisfactory, for 1037 machines were registered in 1911-12 against 725 in the year before, and up to date, since 1st April last 979 machines have already been licensed.

3. In the circumstances, I submit that the Police Officers concerned have earned their rewards.

I have the honor to be,
Sir,
Your most obedient servant,

for President, Municipal Commission,

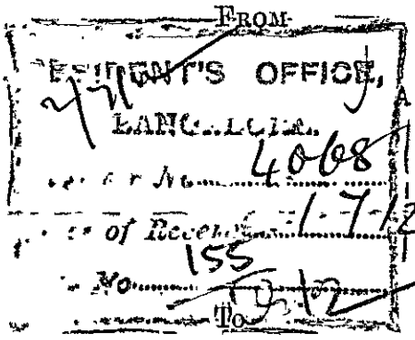
Office of the Dist. Supdt. of Police,

No. 66 Enclos. Civil and Military Station,

Bangalore, 28th J u n e *1912*.,



From A. A. G o v e r, Esquire,
District Superintendent of Police,
Civil & Military Station, Bangalore.

To P.B. Warburton, Esqr., I.C.S.,
First Assistant to the Hon'ble
the Resident in Mysore, Bangalore.

Sir,

S. 2. With reference to your endorsement No.3315 dated 8th instant, I have the honour to state that the police Sergeants, in addition to attending to their legitimate police duties, were of service to the Municipal Commission in bringing to book cyclists found riding unlicensed cycles and thus were instrumental in increasing Municipal revenue. As the Municipal affairs of the Station are administered by a body of Municipal Commissioners (Vide Section 8 of the Bangalore Municipal Law, 1897) and not by Government, I am of opinion that the rewards proposed to be paid to the Sergeants would be more of the nature of fees from a public body, as is referred to in Article 74 of the Civil Service Regulations.

2. As the work was undertaken with my sanction and under my orders and as it was "carried out without detriment" to the proper police duties of the Sergeants, I recommend that the Hon'ble the Resident may be pleased to sanction the payment of the rewards to them.

I have the honour to be,

Sir,

Your most obedient servant,

District Superintendent of Police
